RIALTO SQUARE THEATRE

Launches New S.T.A.R. Membership Campaign

Joliet, IL - The Rialto Square Theatre is launching a membership campaign for its' new S.T.A.R. (Special Treatment at the Rialto) program. S.T.A.R. is a membership based annual giving program that supports the numerous programs offered at the Rialto Square Theatre and the School of the Arts. S.T.A.R. replaces the previous Preservation Society program. By becoming a S.T.A.R., you will experience Special Treatment at the Rialto. "Stars are abundant at the Rialto Square Theatre. However, they aren't just the performers that take our stage each year," says Tina Postel, the Rialto's Director of Development. "The real stars of the Rialto are the guiding lights who support our theatre everyday through their patronage and charitable contributions. The S.T.A.R. program is our path to appreciation for that support. In essence, it's our standing ovation to you!" The new program will grant you S.T.A.R. treatment from the moment you join. This donor program offers you a closer relationship with the Rialto Square Theatre through special services, opportunities and amenities which include: ticket on-sale notification, buy early ticket pre-sale days, priority bar service, exclusive entrance, early admittance, concierge service, season preview nights and much more!
