ABOUT THE MIDTOWN MEN:

THE MIDTOWN MEN are Tony Award Winner Christian Hoff, Michael Longoria, Daniel Reichard, and Tony nominee J. Robert Spencer.

The group's jump-to-your-feet show features top hits from a who's who of the '60s including The Beatles, The Beach Boys, The Temptations, The Jackson 5, and The Four Seasons, whose story they brought to life every night as Stars in the Original Cast of Jersey Boys. "The 60s produced some of the greatest songs ever written," says THE MIDTOWN MEN'S Christian Hoff, who won the Tony Award for his portrayal of Four Seasons bad boy Tommy DeVito, "so we're having a ball adding our own style to those great songs everyone loves." Their fans agree—in one week last summer over 45,000 people of all ages came out to enjoy their incredible vocal style and legendary onstage chemistry.

Now, in 2011, their tour continues with stops all across the country, including a special appearance in New Jersey in early May where their talents will raise funds and awareness for a 10th year commemorative project honoring victims of 9/11 and their families.
