### **ABOUT TRANS-INFINTY ORCHESTRA:**

Trans-Infinity Orchestra was created to be a holiday experience for all. Featuring the music of Trans Siberian Orchestra and telling the story of Christmas around the world. This is done with a musical ensemble second to none, an angelic choir, and a light show that is state of the art. Of course, it would not be complete without snow machines and other surprises that come along with this fantastic production. To go beyond the Trans Siberian Orchestra music, Tran-Infinity Orchestra takes it to another level by playing many holiday favorites and more. This is an experience for everyone young and old at heart. By the shows end no one will be sitting in their seat. Everyone will be standing and singing to songs along with the entire cast.
